THE TOOLBOX

PV Habitat goes to the Fair!

It is that time again!!! Pomona Valley Habitat for Humanity is participating in the Los Angeles County Fair. This year we are offering simple 20 minute workshops for Fair guests. These workshops include training in how to repair drywall, install an electrical outlet, how to earthquake proof your water heater and others. We are again at the Red Barn just south of the Blue Gate entrance. In addition to the workshops, we will be promoting our ReStore.

Thank you to the many volunteers who are out at the Fair manning our exhibit and promoting our cause. You are the best!

So while you are at the Fair, don't forget to come over and see us!
